ABOUT

SPECIAL GUEST COFFEE - LONDON

Special Guests exists for the consumers who seek their daily cup (or something completely new), the baristas who practice to master their craft and the coffee producers, who throughout each harvest, refine their process.

They are here to push themselves and the boundaries of what is possible, showcasing world-class baristas and producers, and providing exceptional hospitality .

Founded in 2022, all of their coffees are selected by two-time UK Barista Championship winner, Paul Ross, with the aim to keep up-to-date with coffee trends, showcase hidden gems, small lots and the unusual - an opportunity to experience what the pinnacle of coffee has to offer.
